

Thy Kingdom Come 2018

Intentional Evangelism with the Bishop

From Pentecost Bishops Christopher, David and Nicolas are leading on Intentional Evangelism projects throughout the diocese. In Sleaford we will be looking at how to share our faith with and pray for our community. There will be a series of events over the summer months led by the episcopal team. The first training event will be aimed at all of us in St Denys. Bishop David will be preaching and presiding at the 10.00am service. Over coffee in the church hall he will then lead the whole church community in a short seminar on the subject of why we share our faith with others. This will be recorded so that we can share what he says with those members of our community who are housebound.

The next two events will also be led by Bishop David. We will be extending an invitation to others from Churches Together to come and join us. We will be looking at praying for, in and on the streets of our community. The final three events will see us putting that training in to practice as we follow God's call.

*Almighty God, source of our hope and all good things,
You call us in love to share in your work of making your love known to all.
Bless, we pray, all that we do in seeking to share the story of your love
with those amongst whom we live,
that through us they may catch a glimpse of the love you have for each one of us,
and find their place within it themselves.*
